## **RGGDC, Chaura Maidan : A Brief Profile**

Rajiv Gandhi Government Degree College, popularly known as Kotshera, located at Chaura Maidan, Shimla came into existence in the year 1984. Situated at a distance of about 3 Kms. from the Old Bus Stand, it is easily accessible from the Mall Road, Boileauganj and Summerhill. It is at a 10 minutes' walking distance from 103 Bus Stop and around 12 minutes' walk from the Railway Station. The campus is situated near the picturesque and serene Inverarm Hill, one of the seven hills in the city. A narrow downhill trail opposite the historic Cecil Hotel, canopied by thick and lush green deodar and rhododendron groves, leads to the college campus. The college is ensconced amidst a pristine natural environment offering a perfect academic setting for the students. Surrounded by prestigious institutions like The Academy of Indian Audit and Accounts, Yarrows and the renowned Annadale helipad, the college building offers a mesmerizing view of snow clad mountains and thick woods. The college has the rare *Cryptomeria japonica* trees, very few of which can be found in the city.

The old building of the college was a colonial, palatial house named the Kotshera House, from which the college got its name. The pre-independence history of the place is said to have deep connections with a family belonging originally to Gujranwala in the erstwhile Punjab. The building served as the office of the Himachal Pradesh State Education Board for a few years, before being set up as a Degree College. Its journey as an educational institution began by serving as the Humanities wing of Government Degree College, Sanjauli, in the year 1984.

The college has made immense progress and grown in stature all through its glorious journey. At present, the college campus spreads over wide area having strength of 3452 students. It is transforming into a leading co-educational institution of the state offering undergraduate courses in all three streams viz. Humanities, Sciences and Commerce. Varied job-oriented professional courses like Bachelor of Computer Applications (for which a separate prospectus is available), Journalism and Mass Communication, Tourism and Travel Management and PGDCA are being offered by the college to provide a cutting edge to the students. The Add-on courses (or Skill Development Courses) under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) have also been started in this institution. It offers skill-based Training to the Youth that will enable them in securing a better livelihood. This College is one of the few institutions in the state which offers English Honours to students.

It is matter of great pleasure and distinct honour as our college has been listed, amongst the nine colleges of the state, under the 'Utkrisht Mahavidyalaya Yojana 2021'. The scheme is an initiative that will work towards boosting the holistic development of colleges in the state. As a part of this initiative the college will undergo a transformative upgradation from campus to classroom. The institution is trying its best to emulate the main objectives of this scheme; that is to provide a better infrastructure and benefits of modern technology to students which would incorporate virtual classrooms, a well equipped gym, an automated library along with self-financed and vocational courses.

The college has state-of-the-art infrastructural facilities for academic and personal growth of the students through academic, co-curricular and extra curricular activities. The institution has adequate number of well furnished classrooms, well equipped Science laboratories, an IT laboratory, a BCA laboratory, a well-stocked library, a multi-purpose auditorium, gymnasium and a playfield. The college campus provides hygienic canteen facility to the staff and students. Smart class rooms have been provided to foster teaching and learning through audio/visual aids. The institution offers social outreach activities like the National Service Scheme, National Cadet Corps, Eco Club, Red Ribbon Club, Rovers and Rangers and Women Cell to cultivate a sense of social responsibility among the students.

The institution aspires for the socio-cultural, moral and intellectual development of its students through disseminating purposeful knowledge and imparting meaningful education. The institution works persistently to equip the students for higher education and better job opportunities and offers counselling and tutorials for the underprivileged students. The purpose of the institution is to make quality all round education available to all who enter its portals.

The teaching staff encourages the creative streak in the students and is actively involved in their academic, cultural and sport pursuits. The mission of the college is to inspire, prepare and empower its students to succeed in the rapidly changing world.
