

Action taken on curriculum feedback for session 2018-2019

Feedback given by the stakeholders were analysed and suitable action was taken so as to satisfy the expectations of students, parents, teachers and alumni. This further helped us to improvise our curriculum as per the expectations of the stakeholders.

Analysis of feedback from suggested-

- There is a need to scrap the semester system and restore the annual examination system under the Rashtriya Uchchatar Shiksha Abhiyan (RUSA) for undergraduate courses to facilitate students in terms of the size and loading of the courses in a semester, as it is not suitable for hilly states like Himachal Pradesh with difficult topography and demographic variations.
- There is need of more college infrastructure and lab facility.
- To make teaching more practical based, equipments are required especially in science labs.
- More facilities and infrastructure in the college for research and sports activity is required.
- Professional development courses/Entrepreneurship development programme cum Skill Development Training Programme need to be started.

Action taken-

- Representations were given to the Academic Council of Himachal Pradesh University for scrapping the semester system and starting the annual examination system for undergraduate courses. The university authorities decided to revert to the annual system of examinations under RUSA, and changes and updates to existing syllabi were made to facilitate the students.
- Teachers and students were encouraged to organize/attend conferences, seminars and workshops to improve their knowledge. Field interaction, Guest lecturers, Industrial visits, Science exhibition and educational tour were organised to make curriculum practical based and interesting.
- The newly constructed Administrative and Science block was inaugurated to enhance college infrastructure, lab facility and research activity.
- Equipments for science laboratories were purchased to upgrade the lab facilities and to start research activity in the college.
- Extension of existing college playground, construction of changing room to enhance the sports facility was done in the college.
