

Action taken report on Analysis of feedback from

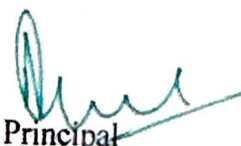

Academic Year: 2022-2023

Analysis of feedback from suggested-

- Employability skill of the students needs to be enhanced.
- Faculty-student interaction may be enhanced. Smart class programmes may be made effective.
- Professional development courses/Entrepreneurship development programme cum Skill Development Training Programme need to be started.
- Curriculum should be skill based and job oriented so as to meet the expectations of industry/current global scenario
- Project work should be made compulsory for all the final year students to increase their knowledge and understanding in the subject.
- Students should be encouraged to adopt some online courses through MOOCs or Swayam.
- Sports facilities should be improved.
- Hostel facility should be provided to students.

Action taken-

- The college has submitted a proposal to the government for the construction of a hostel.
- The construction of a multipurpose court has begun.
- All final year students are now required to complete a project in order to deepen their knowledge and understanding of the subject.
- The college has started offering professional development courses, entrepreneurship development programs, and skill development training programs.
- It has been decided to organize job fairs/job melas in the college in order to increase the employability of students.
- It has been decided to encourage students to take online courses through MOOCs or Swayam.
